

STABILO LUMINATOR ANYTHING BUT ORDINARY

- Highlighter with larger liquid ink reservoir than traditional highlighters – highlighting and the advertising impact lasts considerably longer
- Long cap-off time – up to 4 hours
- Multi-award winning design in 6 standard colours and 2 line widths
- Uniform ink application right down to the last drop – doesn't fade gradually
- Better quality, comfort and design when highlighting:
The premium product for every highlighter assortment
- Promotional imprint on pen and packaging, also available in attractive set combinations

With **QUBE FRUITS**, STABILO shows what advertising on STABILO products can look like.
