

PRESS RELEASE

A LIFESTYLE LOOK YOU CAN FEEL – STABILO bright.

STABILO Promotion Products GmbH | Heroldsberg, 14 May 2020

With its streamlined look and fresh colors, the STABILO bright twist-action ballpoint pen will delight modern users who value design. Its excellent value for money will win over even the most price-conscious of advertisers.

The linear design gives the STABILO bright twist-action ballpoint pen its trendy look. This cool promotional product is available in the four popular standard colors black, white, blue and grey as well as the four fresh, trendy colors turquoise, light green, pink and beige. The white version is also available with an antibacterial surface. This pen will impress you with its slimline look, tried-and-tested X20 refill and excellent value for money. The stylish ballpoint pen is made in Europe and offers plenty of room for promotional messages on the shaft, top and clip.

STABILO bright – fresh colors, cool prices.
